ARTISA

elegance redefined

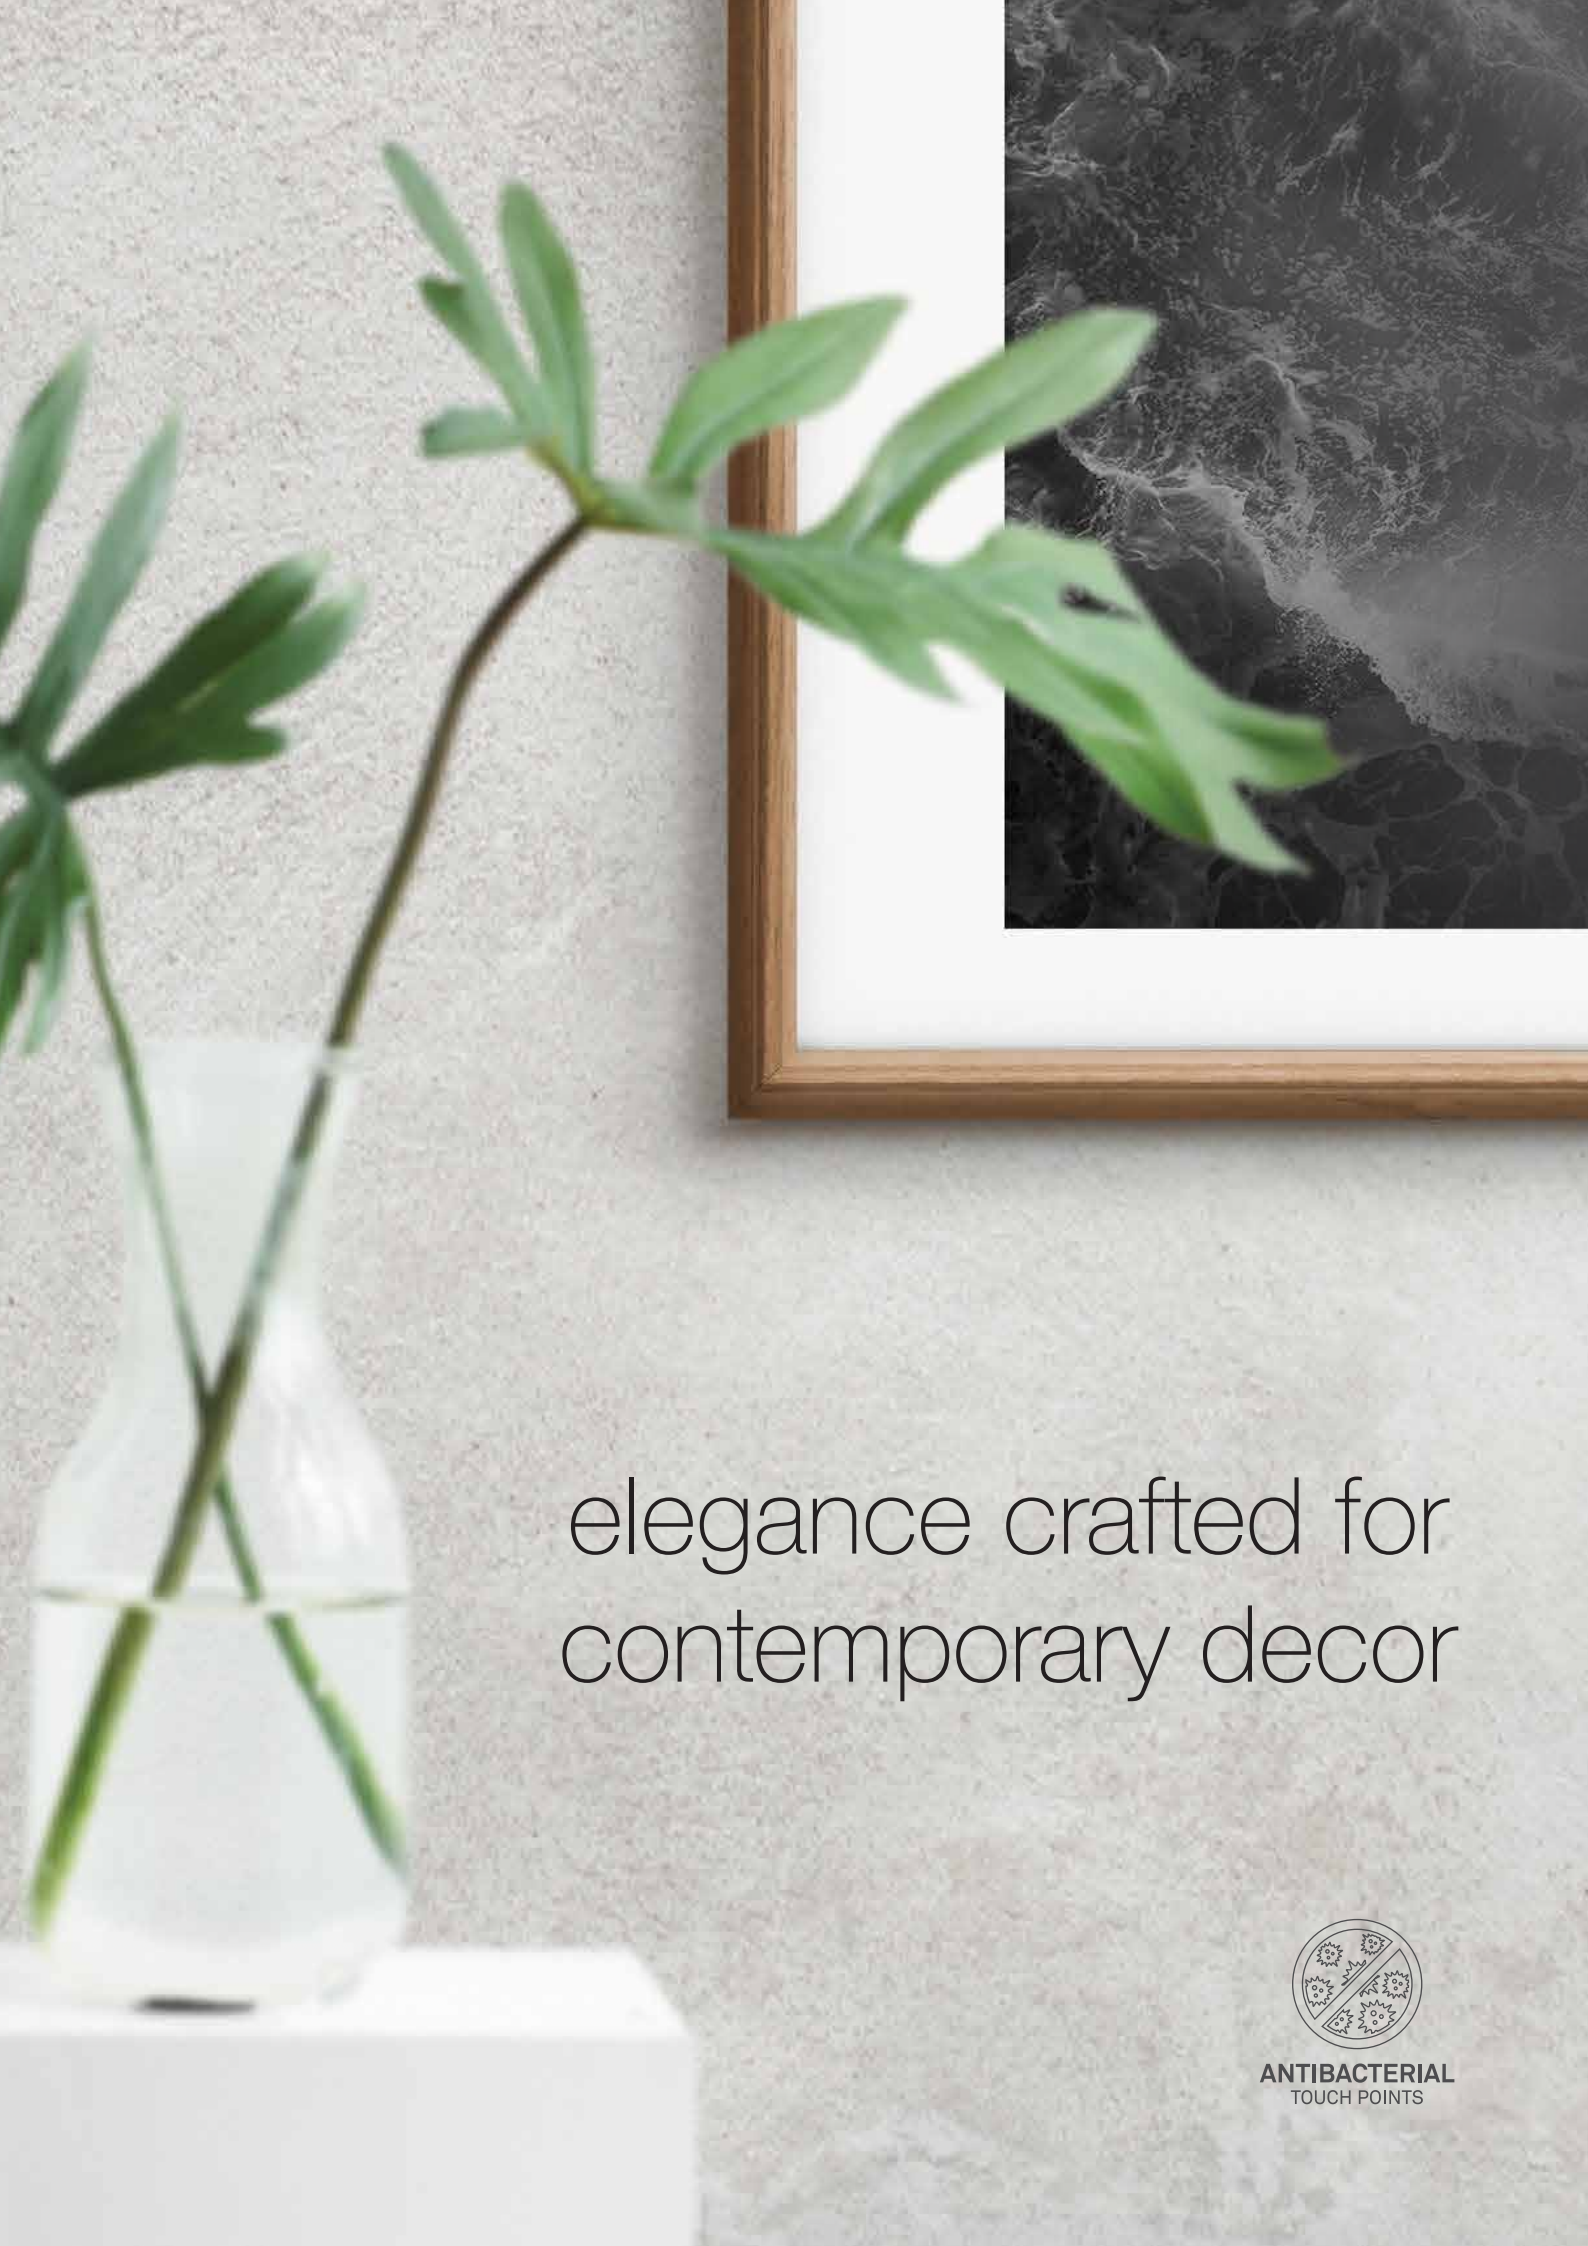

switch art for
every wall

There are many things around us that make us happy but can be temporary or ever-changing.

There are also things that have a lasting impression, have a more permanent place in our homes.

This elegance, this timelessness, is a form of art.....**It's ARTISA**

elegance crafted for
contemporary decor

ANTIBACTERIAL
TOUCH POINTS

With more than 30 years of switch engineering excellence, we at North-West have pioneered and delineated the ground rules for the perfect switch. We bring to you ARTISA and ARTISA Flat, a premium range of switches; simplicity with elegance redefined with exquisite finishes that add a touch of style to your interiors.

ARTISA

ARTISA FLAT

elegance redefined

NEW-AGE DESIGNS

WIDE RANGE

SAFE OPERATIONS

finesse and features

new age design

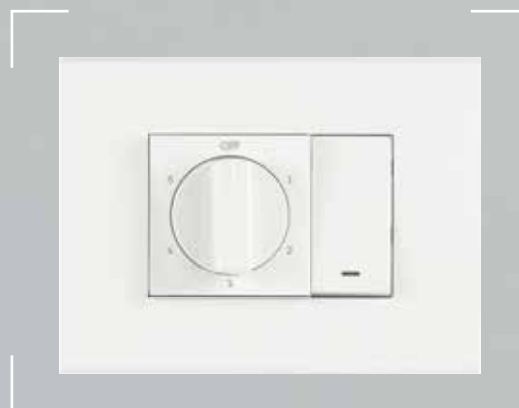

Artisa Flat

Artisa

Premium flat and non-flat/rocker modular switch options in the same plate

anti-bacterial touch points

ANTIBACTERIAL
TOUCH POINTS

*Applicable on touch points like switch, bell push, fan regulator/dimmer & TT in white colour only

wide variety

10 different design finish/colour options in plates with a wide range of application across Residential, Commercial and Hospitality sectors

safe and sturdy

Careful implementation of extra sturdiness where required with inclusion of metal insert in 8 module horizontal plate

undefined elegance
created with
design entropy

glass finish

Handcut and polished 3mm tempered glass plates with soft edge finish that accentuates the wall designs & patterns

aqua green

frozen matt

We believe in design entropy that is reducing the chaos in the users mind by just offering the best 6 finishes and 3 colours suitable for any decor with a subtle sense of class and immaculate finish

wood finish

Handcut and polished 3mm termite free wood plates with lacquer coating that blends beautifully with your room decor

natural teak

cherry mahogany

metal finish

Brushed finish 3mm aluminium metal plates with precise CNC cut that gives a touch of class with the metallic look

abstract silver

retro bronze

colours

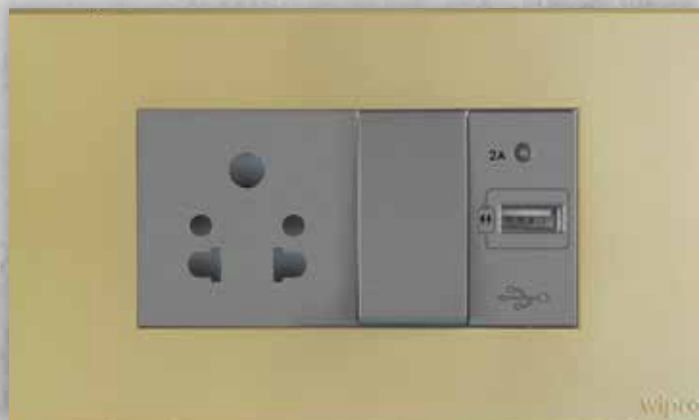

Choice of colour plates of plastic finish to match your decor

silver grey

matt black

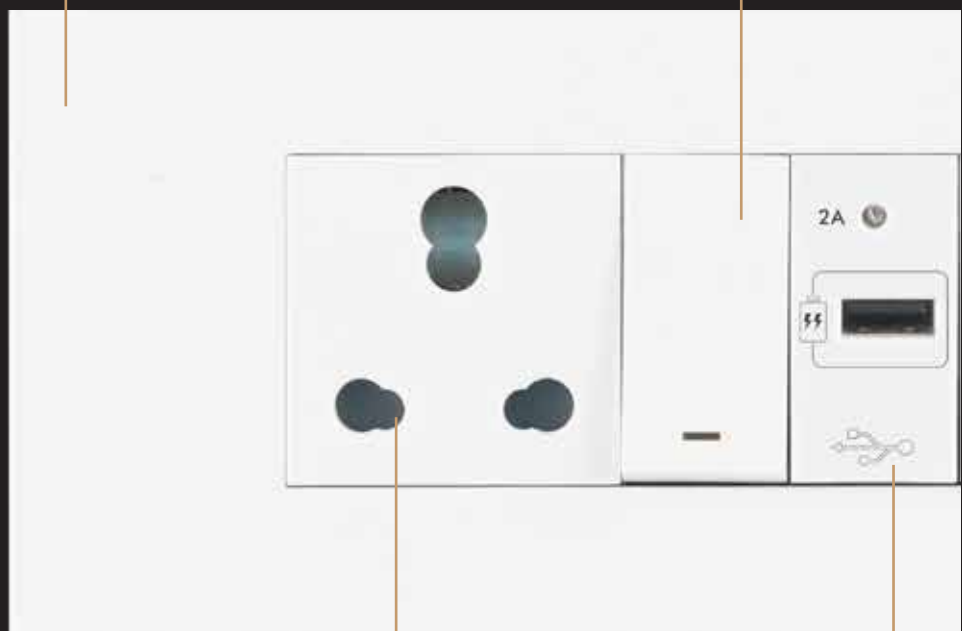

champagne gold

beauty that is skin deep

UV Stabilized material for longer life & protection against de-colourisation

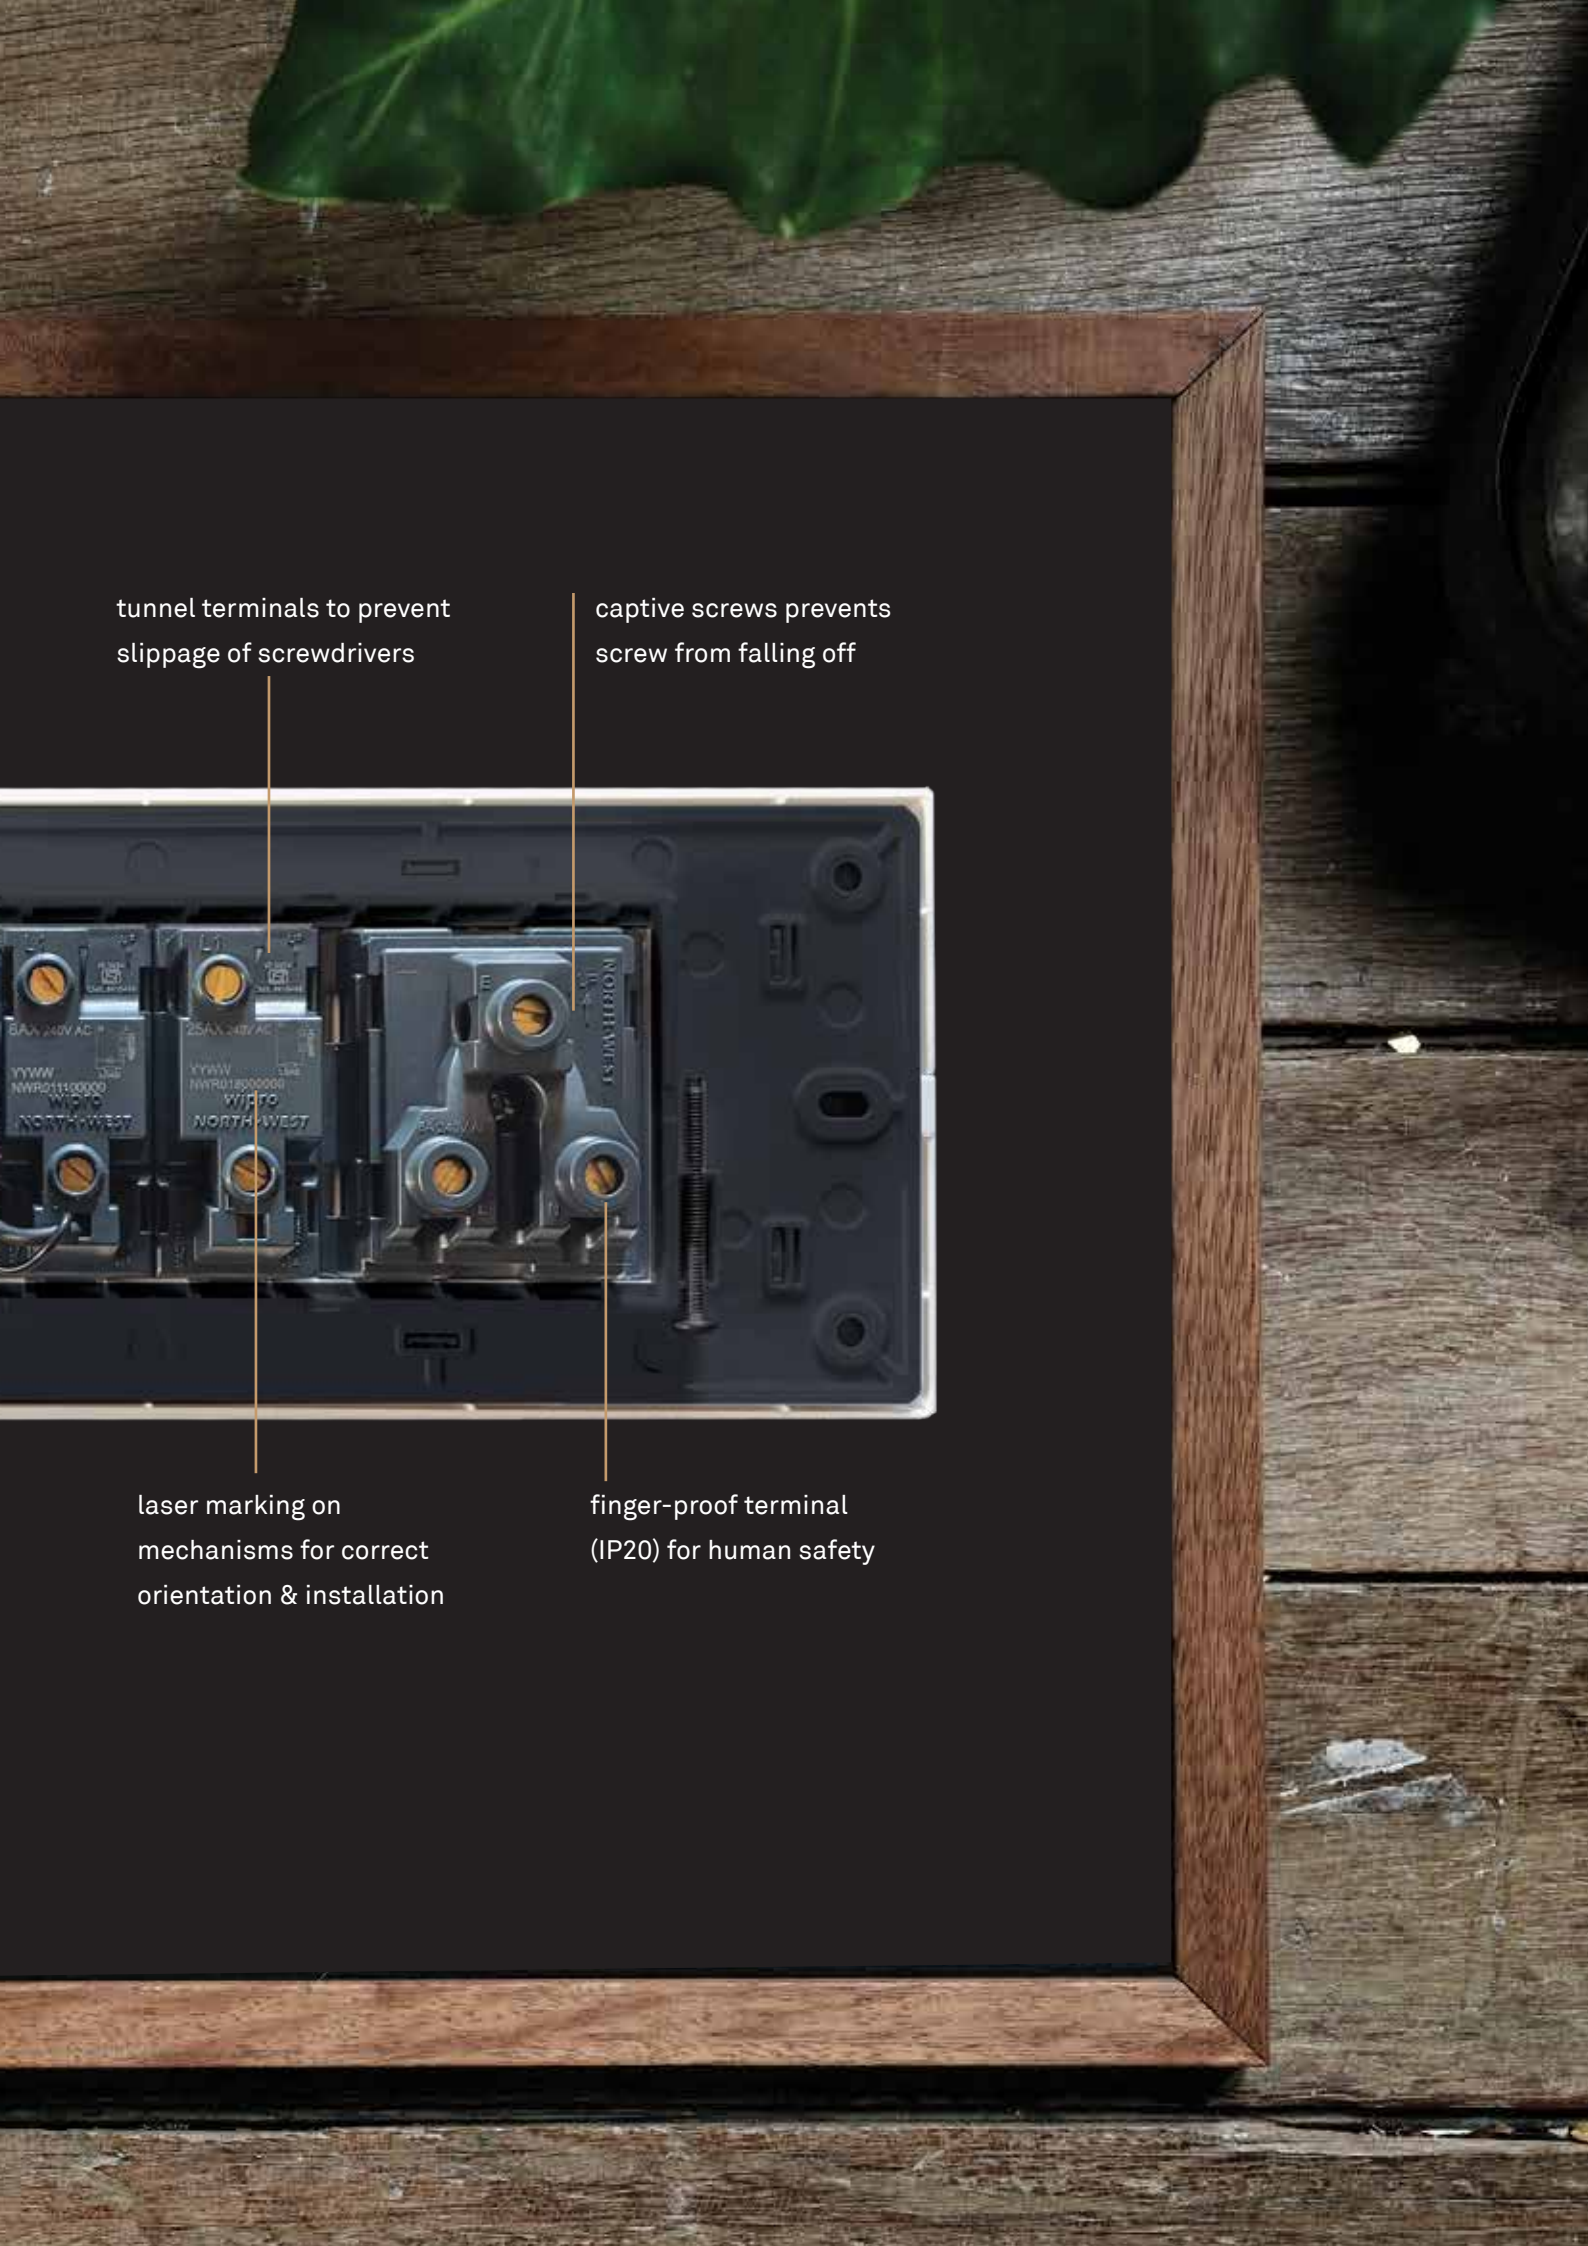

minimal amount of noise during on/off operation

safety shutter to protect children from electric shock

front loading of switch, socket & accessories for ease of installation & removal

USB port for fast charging

tunnel terminals to prevent
slippage of screwdrivers

captive screws prevents
screw from falling off

laser marking on
mechanisms for correct
orientation & installation

finger-proof terminal
(IP20) for human safety

the making of a masterpiece

ARTISA
elegance redefined

ARTISA
FLAT
elegance redefined

switch

Flat button ON/ OFF type switch with all type variant

Rocker based mechanism

Additional shield inner knob to minimize arching during on/ off operation

High-grade glass-filled pivot

Copper contact with silver inlay for better current flow without any disturbance or fluctuation

Brass terminal bush with captive screw for better performance

The switch can withstand upto 1,00,000 cycles

High durable & long life product

flat switch

Flat button ON/ OFF type switch with all type variant

Rocker based mechanism

Additional shield inner knob to minimize arching during on/ off operation

High-grade glass-filled pivot

Copper contact with silver inlay for better current flow without any disturbance or fluctuation

Brass terminal bush with captive screw for better performance

The switch can withstand upto 1,00,000 cycles

High durable & long life product

socket

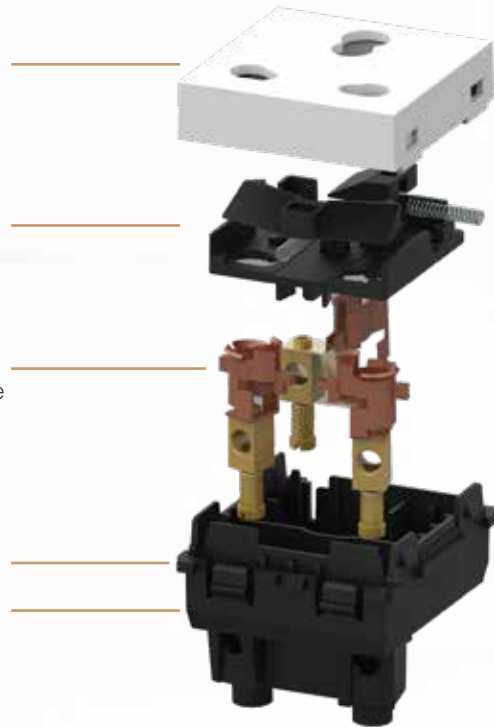

2 Pin plug acceptability

Safety shutter to protect children from electric shock

Copper connectors, brass terminal bush with captive Screw for better performance

Fire retardant and anti - bacterial material

Conforming to RoHS & IS Standard

regulator

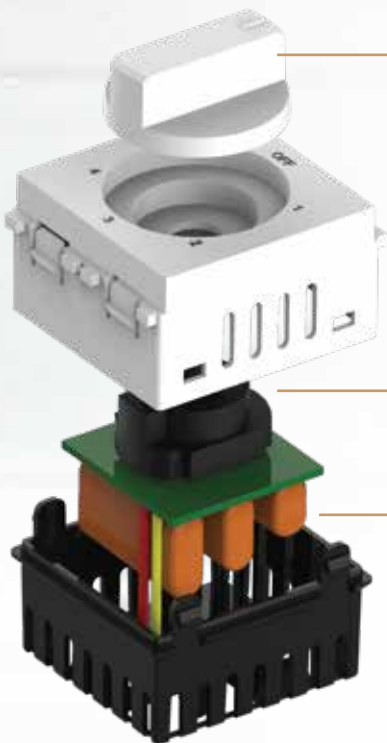

Fire retardant and anti bacterial material

Energy saver, inverter compatible and support existing wiring

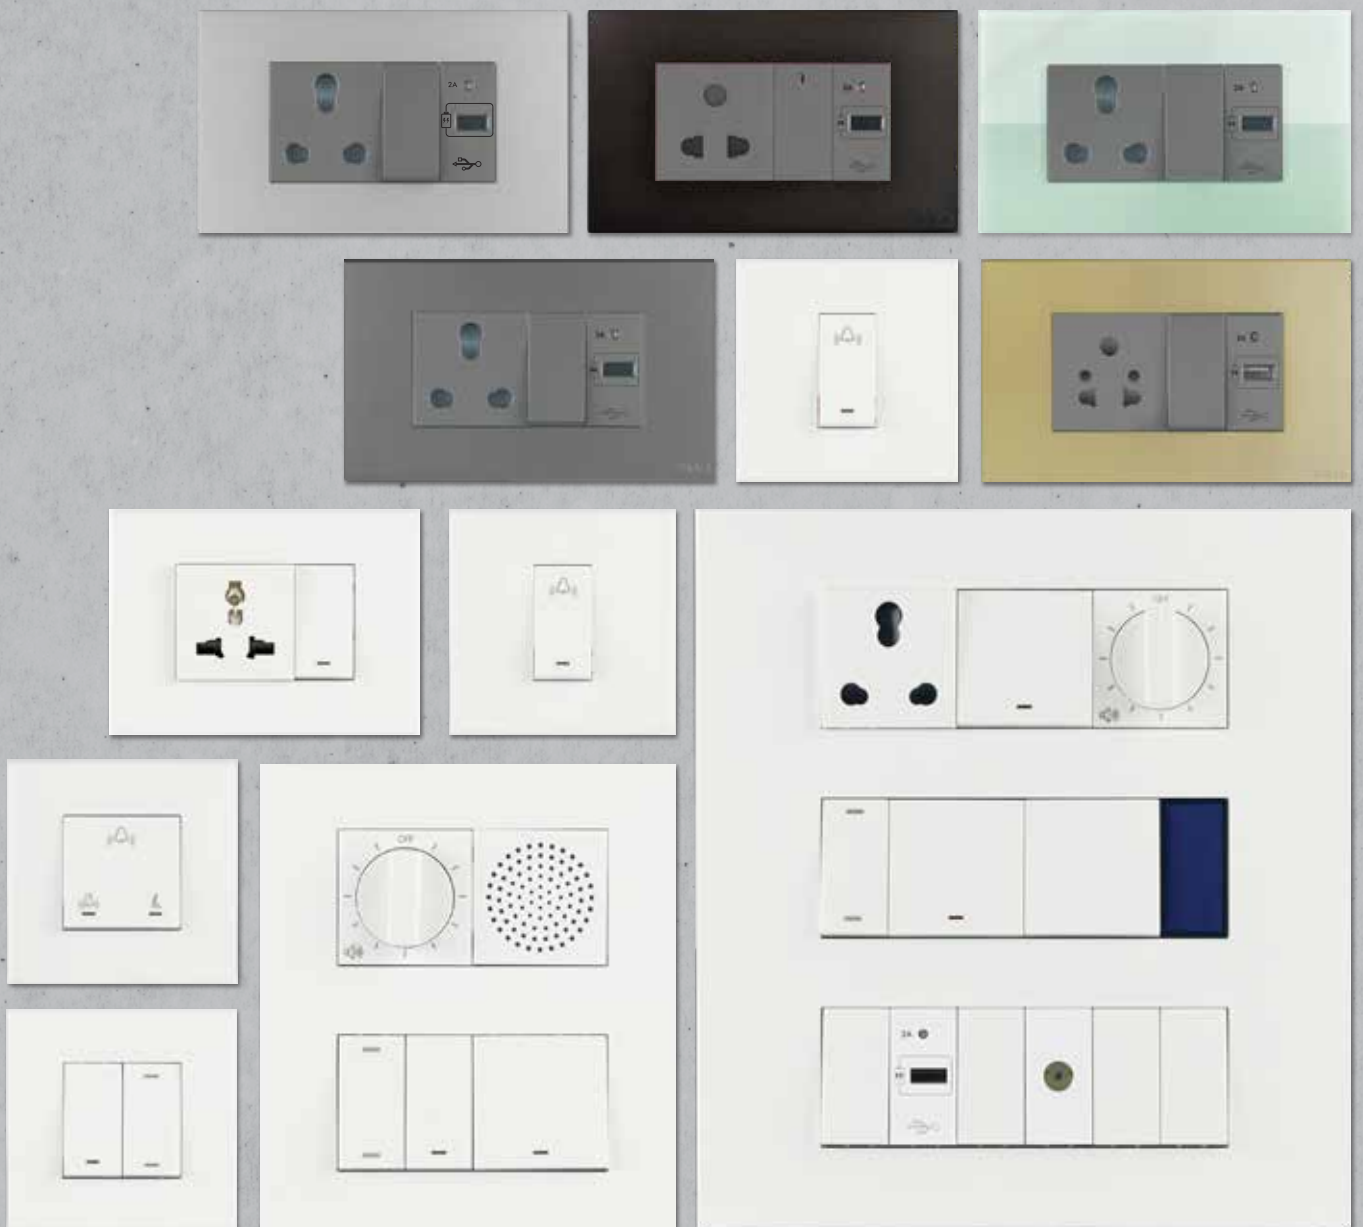

Triple capacitor based for better & uniform speed control

Consume less power at lower steps

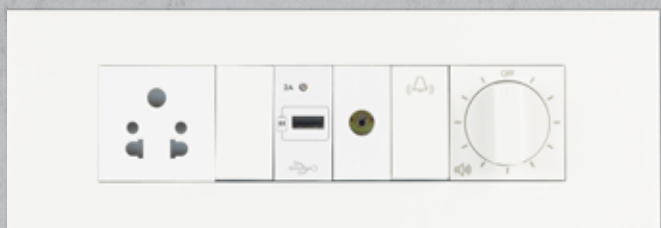

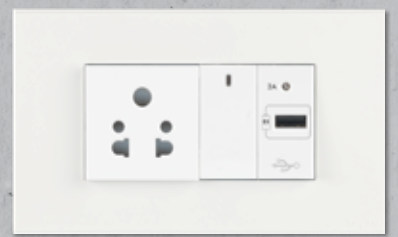

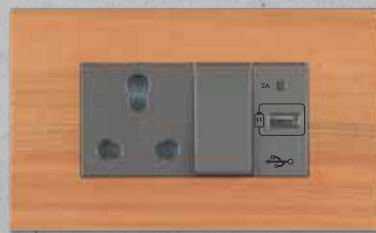

Generates less heat

to us quality is paramount
not just quantity

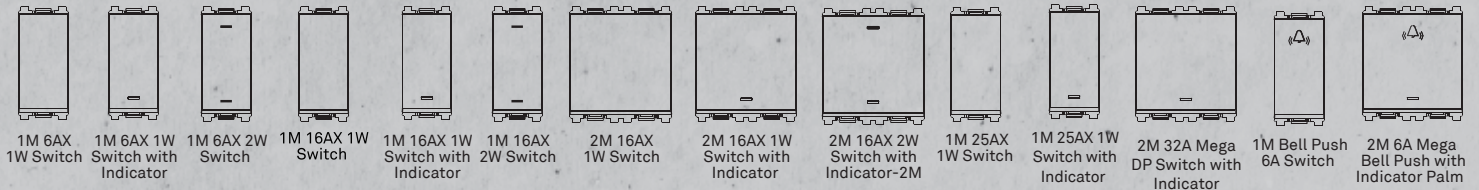

Artisa range of products are designed to match the requirements of electrical installation in modern buildings. The range includes switches, dimmers, hospitality products, communication modules, sockets and cover plates. Front plates are available in variety of colours, material and design finishes. Safety shuttered sockets are in place to avoid accidental contact and protect child from electric shocks.
